Larios Gutiérrez Angela Atenea

STUDENT IN SYSTEMS ENGINEERING

I'm a passionate student who loves to always learn something new, mainly interested in areas like a cybersecurity, AI, deep learning and big data, and my hobby is bodybuilding

SKILLS

- Algorithmic Thinking
 - Analytical Thinking
 - Critical Thinking
 - Problem Solving
 - Machine Learning Algorithms
 - Programming Principles
 - Python Programming
 - Data Analysis
 - Cybersecurity
 - Privacy & Data Confidentiality
-

PROGRAMMING LANGUAGES

- Python
- Java
- JavaScript
- C
- C++
